STANDARD 2: TRAINING INCLUDES LEARNING OBJECTIVES

[Here's an Easy Way to Create Learning Objectives](#), **The Rapid E-Learning Blog**

This blog post explores a simple way to create objectives for a course. The steps outline ways the course objectives and the overarching goals will be aligned, an essential step needed before building a course.

[Bloom's Taxonomy](#), **University of Florida Center for Instructional Technology and Training**

This chart provides a list of sample action verbs based on each level of understanding, which are defined. Also included are sample behaviors based on the verbs.

[Writing Learning Objectives](#), **Association of American Medical Colleges**

This guide provides steps for writing learning objectives and provides examples of poorly defined and well-defined learning objectives.
